

The 3rd ALTERNATIVE

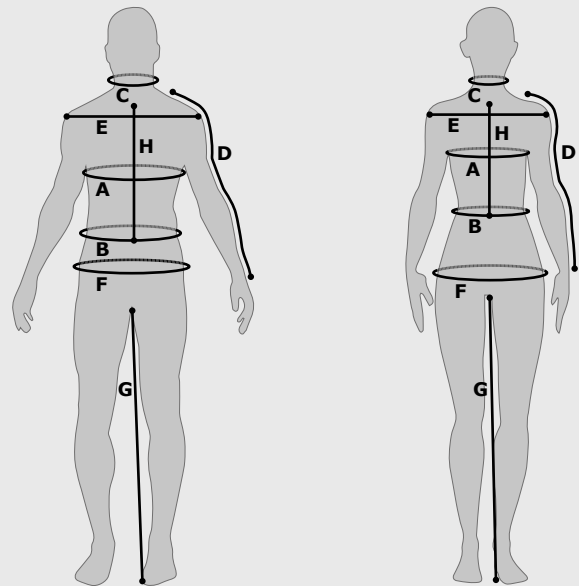

Sizing Form

How to measure?

- Get measured before placing the order. We recommend you have your measurements taken by professional tailor or measure yourself by following the measurement guide below.
- Measurement requirement. Make sure you take your measurement barefoot. Preferably you should have only underwear.

Measurement points:

- Products for upper part: A, B, C, D, E, F (shirts, jackets, coats)
- Products for bottom part: B, F, G
- Vest / Carriers: A, B, H, E, C

Name:

Height: cm

Male: Female:

A. **Chest** cm
Measure around fullest part of chest under the armpits and middle of the nipples.

B. **Waist** cm
Measure around narrowest part of your waistline (usually around belly button).

C. **Neck** cm
